

Learning is most effective when it is fun and engaging.

Each exciting story in our reading scheme is centred around the monster characters that children love.

These are phonics books that children want to read!

All graphemes in the Letters and Sounds and the KS1 Curriculum are taught across this phonics reading scheme which consists of 100 books.

Books have been grouped into 10 stages of 10 books.

To help teachers, we have categorised the stages into year groups, Reception, Year 1 and Year 2, although there is some overlap of the graphemes taught in each.

Reception Books – Stages 1, 2 and 3

There are 30 books in the Reception stages.

Reception books support the teaching of initial sounds and consonant digraphs to help the fundamental stages of reading. The familiar characters and fun stories engage children in reading. Each Reception book has an optional section for an adult to read at the bottom of each page. This text is not critical for the understanding of the story but adds further detail to help bring the story to life.
